Sir,

Subject - Modified estimate for Rs 1,190/- for laying under-ground pipes along the road - between ~~Hxgh School~~ and Acharya High School and hillock near Narasimharaja Colony

Adverting to Government Order No L 10376-9/Ml 75-47-12 dated 20-10-1947 sanctioning an estimate for Rs 1,470/- for the above work, I have the honour to state that the Engineer Officer reports that the sanctioned estimate provided for laying 320 feet of 7" diameter S W pipe and one manhole of 3 feet to 4 feet depth to link up the 2 existing manholes along the same road, ~~The Engineer Officer reports~~ that during the course of execution of the work, it was found that hard granite to a length of 90 feet had to be removed by chiselling at an enormous cost, that it was therefore considered to drop this length of rocky-bed and to provide sewer line for the remaining length and that this alteration necessitated the construction of an additional manhole and that the total cost of one manhole when compared with the cost of sewer line was negligible The modified estimate now prepared amounts to Rs 1,190/-

A Comparative Statement showing the difference between the sanctioned estimate and modified estimate is enclosed for favour of reference

This was placed before the Board at its Meeting held on

P T O

2)

24-6-1948 when the following resolution was passed -

"RESOLVED that the modified estimate for Rs 1,190/- be approved and necessary further action be - taken."

I accordingly request that sanction of Government may kindly be obtained to the modified estimate for Rs 1,190/- submitted herewith A copy of the Report accompanying the Estimate is also enclosed for favour of reference

I have the honour to be,
Sir,
Your most obedient servant,

Cr Narasimhan
CHAIRMAN
